UPDATE ON COVID 19: 06/08/2020

Renaissance is closely monitoring the COVID 19 situation through local authorities in Oman, UAE and World Health Organization (WHO) updates. We remain committed to running our operations smoothly so that we can always offer our clients the best service solutions.

The 'Work from Home' program implemented in view of the ongoing COVID 19 situation ends on Thursday, 06th August 2020 and we are now in a position to be back in office effective Sunday, 09th August 2020.

Our Business Resilience Committee shall continue to closely monitor the overall situation and will change protocols and procedures as needed from time to time.

We recognise that we have to start living with COVID 19 for the foreseeable future until appropriate vaccines are available. Hence, we need to be very diligent in following all the necessary guidelines, protocols and company communication on this for our own safety and the protection of customers, our colleagues and our family members.

Keep well and stay safe.
