OUR VALUES: SAFETY • SERVICE • INTEGRITY • EFFICIENCY • CARING

Client Recognition

Mr. Mike Parker, Operations Authority, S&OR recognised Renaissance for its support on expediting function-wise Camp Segregation in order to combat COVID 19 spread in BP Khazzan.

Automated Thermal Detection

In Renaissance Village Duqm, we implemented thermal cameras to help check anyone with high temperatures and ensure that we catch any symptoms of infected people early.

In Service of the Nation

The company is providing thousands of meals daily in support of the Ministry of Health and Ministry of Social Development's quarantine isolation programme at key locations throughout the country.

Encouraging social distancing

Our team at various sites have placed footprint stickers one meter apart to facilitate safe social distancing.

Breaking the chain

Various preventive measures are being adopted by our colleagues across MOH hospitals to ensure sterilized environments, as can be seen here from SQH in Salalah.

Renaissance on Instagram

As part of widening our communications to partners, customers and employees, we have added an official Instagram account to our existing social media platforms of Facebook, Twitter and LinkedIn.
